

# C2 CHANGE

Counseling+ Connection= Change

## Neuropsychological Assessment Track Practicum Position

C2 Change is a community mental health center that provides assessment and psychotherapy services to children, adolescents, young adults, couples, and families. The population of the Center consists largely of children/adolescents, young adults, and families. C2 also provides group therapy to a variety of children and adolescents with a variety of diagnoses, including Autism, ADHD, anxiety, depression, and social skills needs. Practicum placements are 12-15 hours per week.

### The following is a list of activities in which practicum students are expected to participate:

1. Administration of assessment materials; scoring; and report writing.
2. Client load is based partially on desired number of hours by student but at least one eval every 6 weeks minimum. Ideally, one eval every 4 weeks.
3. Schedule would typically be as follows (with supervision in areas needed):
  - a. Week 1: administer all instruments
  - b. Week 2: follow up and administration left to do; score; begin to write history
  - c. Week 3: complete history; begin interpretive section
  - d. Week 4: complete report and turn in to supervisor
4. Individual Supervision: minimum of 2 hr/week face to face with two supervisors
5. Supervision is also provided in writing with direct feedback on document.
6. Students are expected to be able to test on Wednesdays with one other day of their choice to complete testing, score, write, etc.
7. Students are required to carry student liability insurance at the time of practicum.

### Preferred applicant qualities:

1. Students must have completed a minimum of one prior assessment practicum.
2. Competence in the following:  
WISC IV, WAIS IV, WIAT III (or WJ), RCFT, DKEFS, NEPSY
3. Competence in the following or similar:  
WRAML 2, CVLT-C, CELF 4, WRAVMA, Roberts 2, WDRB, Nelson Denny

### Location:

C2 Family Guidance Center is located at 1000 Westbank Dr., Ste 5A-200, Austin, TX 78746.

### Supervisors:

Allison Sallee, PhD, LMFT; Julia Winkley Britt, MA, LPA, LSSP
